

# BRETT MABBERLEY

## **Brett Maberley Is An International Communication And Performance Coach, Consultant And Trusted Advisor**

For ambitious professionals from the world of business, entertainment and elite sports who want to communicate and perform at a higher level in order to accelerate their progress or maintain their position at the top and gain a competitive edge.

After changing career in his early 20s from being an electrician to pursuing a degree in psychology. Brett has dedicated the last 21 years to mastering the art and science of human behaviour and has a background of working with children suffering from complex issues, serious offenders in prison, law enforcement and government officials to some of the most successful people and businesses in the world.

Through his private 1:1 coaching and group programs, Brett's clients include Hollywood actors, TV stars, movie directors, world champion boxers, international football players, fortune 500 CEO's, real estate agents, serial entrepreneurs, investors, lawyers, coaches and consultants.

In addition Brett is also the founder and host of The Edge Coaches Community. A platform specifically designed for other coaches who want to stand out in a competitive industry and build a successful coaching practice without paying thousands in the process.
